

**Easy fit**  
**Easy use**  
**Easy clean**

Our bariatric wheelchair and commode pan accommodates all patients, including bariatric and obstetric patients with comfort and ease.

Unlike standard bed pans, our pan has a low profile, and is easy to place and remove.

The pan is suitable for use on Broda bariatric wheelchairs as well as other wheel chairs and commodes.

The pan is fully autoclavable and can be easily sanitised using the standard hospital pan flushers and sanitising protocols.

The pans size and shape is light, strong and has an easy grip at the back for easy placement and removal.
